

Austin M. Elliott

EXPERIENCE

RUNESCAPE 2 | 2004 – 2010

GIELINOR

- Attained a top-1,000 global Fishing Hiscores ranking out of millions of active accounts.
- Appointed as Player Moderator by Jagex Ltd.; exercised independent judgment to mute, escalate, and adjudicate community disputes across high-traffic servers.1
- Achieved multiple Skill Level 99 certifications (the maximum attainable proficiency), demonstrating sustained commitment to long-term performance goals.
- Player Moderator status is an unpaid, application-based designation awarded directly by Jagex; fewer than 0.01% of players hold the title at any given time.

HALO 3 / REACH | 2008 – 2013

XBOX LIVE

- Accumulated 2,000+ match victories with a 1.2x kill/death ratio across a multi-million-player competitive field.
- Achieved mid-30s MLG ranking in Matchmaking.
- Gameplay clip selected for Episode 4 of Machinima's Inside Halo Reach video series.

YOUTUBE (SELF-EMPLOYED) | 2008 – 2013

YOUTUBE

- Produced and edited original video content independently; accumulated thousands of views with no paid promotion.
- Managed full content pipeline solo: scripting, screen capture, post-production, and community engagement.

WORLD OF WARCRAFT | 2010 – 2013

REALM: ELDRE'THALAS

- Ranked top 5% globally in Mage DPS on World of Logs during Patch 4.2.0 (Firelands) and 4.3.0 (Dragon Soul), benchmarked against anonymized population data.
- Promoted to Raid Lead in Patch 5.0.5; managed roster composition, loot distribution, and real-time tactical coordination for a structured multi-member raiding team.

OLD SCHOOL RUNESCAPE | 2018 – 2020

GIELINOR

- Achieved maxed combat level (126) and nearly 2,000 Total Level through a disciplined long-term training regimen.
- Returned to the platform after a multi-year absence and re-ramped to peak performance within a competitive, active player base - demonstrating adaptability and rapid re-onboarding.

DUNGEONS & DRAGONS 5E – DUNGEON MASTER | 2016 – 2025

IN-PERSON & REMOTE

- Designed and facilitated multiple homebrew campaigns across a single persistent world spanning nearly a decade, including one 2+ year campaign completed in full.
- Maintained internally consistent shared lore, geography, factions, and consequences across campaigns - effectively managing a living IP with a running canon.
- Balanced encounter design, narrative pacing, and real-time improvisation across sessions of 4–6 players with wildly unpredictable decision-making - no two sessions alike.
